

Community Mapping for Southeast Alaska

Alaska Division of Community and Regional Affairs

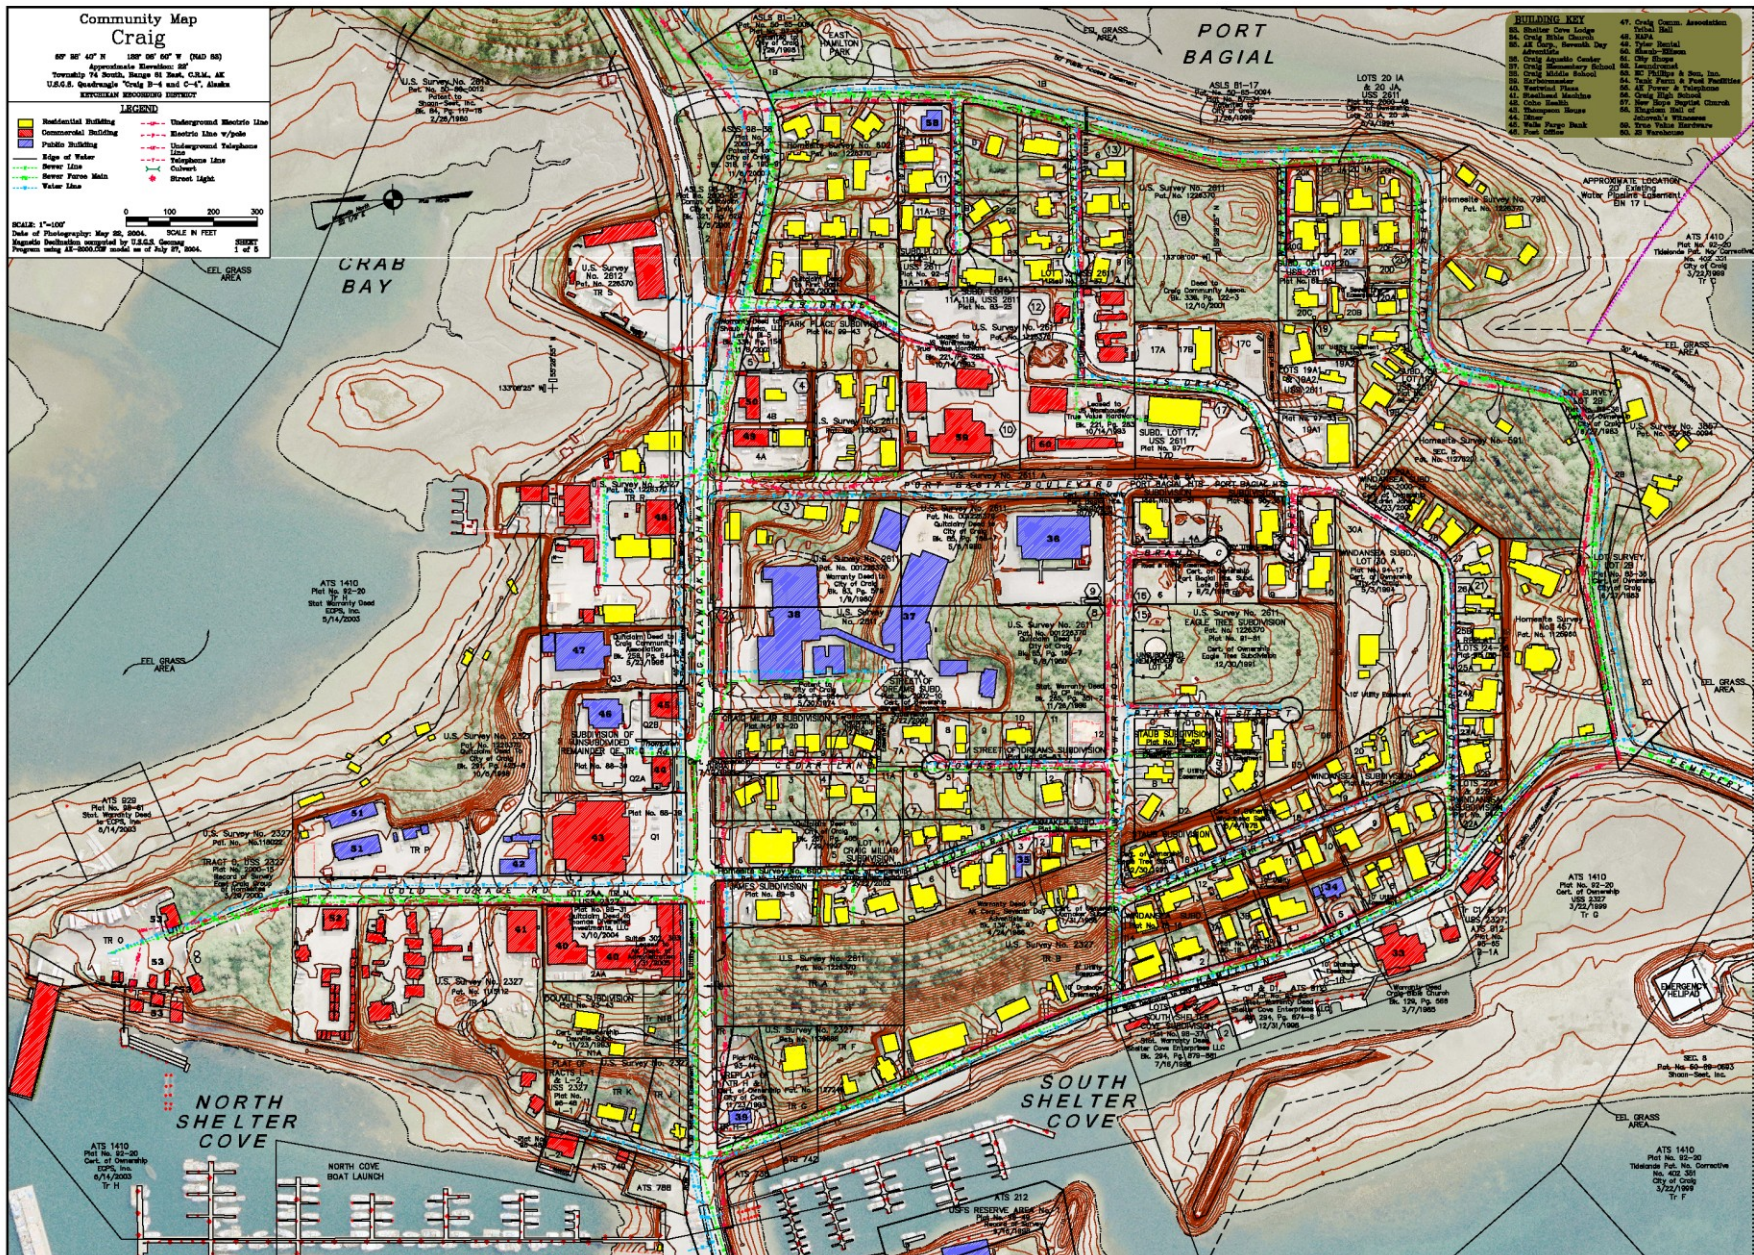

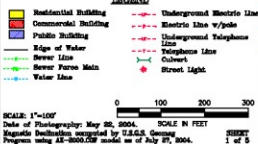

Community Mapping for Southeast Alaska

- DCRA's community mapping program has produced maps for 140 small communities since 2004, with 10 more to be finished this year.
- A 2006 project in partnership with Tlingit-Haida Regional Housing Authority left some small southeast communities unmapped.

Community Map Craig

80° 50' 40" N 150° 00' 00" W (MAD 80)
